Director's Note:

May has brought us many changes again at Treasure Keepers but with change comes fresh new outlooks and ideas that we love to embrace.

We have said goodbye to Karin as our energetic kitchen staff and hello to Angela! Angela is expecting her second child and will be on maternity leave as of June 22nd.

We have also said goodbye to Melissa and transferred Janett from our Principale location to work in our Preschool Room. Welcome Janett and we hope you enjoy the new group of children as well as some children you already know!

Welcome Back to Kristy our Summer Student! Kristy worked at TKCC last year and has returned! We are so happy to have her here as she is a great addition to our summer team!

Eryc and Margaret have switched rooms at our Principale location but are both still interacting and enjoying all the children!

Welcome to Megan who has accepted the Assistant Director position with Laura resigning in April. Megan has worked at TKCC before and has 'come back home'! She also comes with lots of experience from working a term Director position and loves to keep busy and enjoys a challenge!

I want to say a big thank you to all the families that have supported our many fundraisers this year! (For those of you that missed out on our Paint Night we do plan to have another one in fall!) Without you we would not have the ability to plan extra events such as our Fort Whyte field trip and our upcoming Family Fun Day planned for July 19th 3:00-5:00 pm!

Speaking of our Family Fun Day we planned the day a little differently this year. We have kept it within the daycare times so that all children even if families were unable to attend would be able to enjoy the Bubble Party put on by Summer Bounce and a Fit Kids Healthy Kids obstacle course. We will also have food later around 4:30-5:00pm with the hopes that some of you parents may be able to leave work early and join us!

Last but certainly not least we are always looking for donations of recyclable items for art projects and old small appliances for our school age group to take apart!
