### Director's Report:

Thank you to all our families for the fantastic fundraising efforts with our ongoing pizza luncheons and the Little Caesar's pizza kits! Lots of plants, seeds and perennials have been purchased for the children to plant and enjoy all summer long. We will also be purchasing a bubble machine of our own for parties in the summer at the favourite dugout spot!

Everyone at TKCC is looking forward to the fun summer activities that are being planned. Please help us out and ensure your child has appropriate clothing for all weather conditions and including a change of clothes when we get muddy or wet too please!

Please feel free to ask your caregiver about the learning they were part of at our annual MCCA Conference for Early Childhood Educators!
