**Assistant Director Report:**

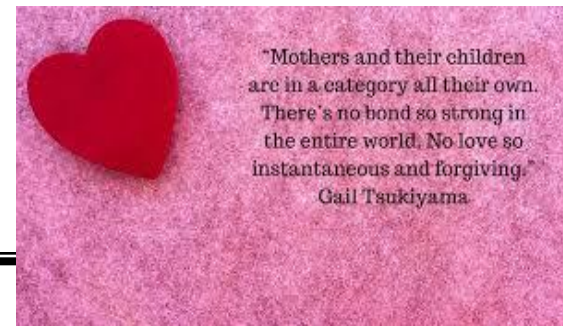

Wow, a huge thank you to all the parents and board members that sent treats for the Week of The Early Childhood Educator. We all felt so special and appreciated. It's amazing how a few gestures of kindness can change the perspective and outlook of so many people.

All the staff members are really looking forward to the **Manitoba Child Care Association (MCCA) Conference on May 26/17 (centres closed)**. Each staff member has signed up for courses that we can gather knowledge from which will be applied directly to our roles at Treasure Keepers. The MCCA conference is a great way to find new interests and bring new and exciting ways of learning to our children. Staff members at both centres are busy preparing for **portfolio week on: May 23-25/17** or speak with you head teacher for a different date & time. This is a great opportunity to speak with your child's teacher and see how much your child has grown and learnt through the past few months.

Our next **Board meeting is on May 8** at Arborgate School library between 5:00-6:30 P.M. Please inform either myself or Phyllis if you would like to attend!

I would also like to wish all the mothers/caregivers a very **Happy Mother's Day on May 14**; I hope you do something that makes you feel happy!

Laura
