Director's Note:

Thank you to all our families helping out with our fall fundraisers. We enjoy offering a way to generate \$'s for our centre that are useful to our families such as the Farm to School veggies as well as a fun outing for you to get to know others in the community such as our upcoming **Paint the Night Away on November 6<sup>th</sup>!**

I recently had the pleasure of training for the Circle of Security! This program was originally designed for parents and focuses on the importance of attachments with a caregiver and child. Manitoba Early Learning and Child Care Program are now embracing this important concept for our most vulnerable children in the Inclusion program and I will be training our Inclusion Support Staff and then moving on to include all staff. If you are interested in the program or just getting a little bit more info stop by and talk to me.

I am very excited to welcome a new ECE II at our Principale location, Carissa! She is enthusiastic, energetic and approachable! *Phyllis Demasson*
